Organic sequesterant blend for reclamation work

Formulated for treatment of condemned linen, including concrete stains.

Use as part of the Ideal First Aid Kit recovery process.

Clears the way for Phoenix Clean to penetrate deeply ingrained staining.

Removes metallic salts.

Can be used to rejuvenate harshness caused by build up of hard water salts in the fabric in hard water areas.

How to use

Use in Ideal recovery wash process R1 & R2.

For process information speak to an Ideal technical representative.

Health & safety

Available on request. Store above 5°C.
